

# Working Wisdom into our Plans and Priorities Study Guide

In these days of busy schedules and fast paced lives, it's always good to slow down occasionally and ask God for wisdom regarding your time management. When we include God in our daily schedules, we are able to accomplish more than we ever could without him.

1. Proverbs 16:9 tells us that a man's heart plans his way. Who does it say directs his steps?

2. Read Matthew 6:25-34 and write out verse 33. When are we to 'seek God and His ways?' What will be given to us when we put God first? Is time alone with God (in prayer and His Word) a priority for you?

---

---

---

3. Read Proverbs 6:6-11. Proverbs warns us against being lazy and unproductive. How is the ant an example of discipline? What is the result of being a ' sluggard'?

---

---

4. Each day we face many choices and decisions that not only effect us, but those around us as well. Who are we to be led by according to Galatians 5:16-18? When we ask for guidance, the Holy Spirit will lead and guide us in the way we should go. (Read Philippians 4:6-7 for more insight.)

5. List the blessings that we find when we walk in wisdom as you read Proverbs 3:13-18. Don't we all desire length of days and a peaceful, pleasant path through life?

The Bible tells us that God has a beautiful purpose and plan for our lives. They are plans to prosper us and give us hope and a future (Jeremiah 29:11.) When we bring our plans, schedules and agendas to The Lord, He will direct our paths!
